

# A Student's Guide to Show My Homework

**satchel:**  
Together through education

# What is Show My Homework

Homework on your computer, phone and tablet!

A to-do list organises all your work for you.

Helps you manage your homework from wherever you are.

# How Show My Homework can Help You

A young man and woman are walking away from the camera on a paved path. The man is on the left, wearing a light-colored shirt and dark trousers, carrying a brown messenger bag. The woman is on the right, wearing a white shirt and a dark skirt, carrying a black backpack. They are walking towards a large, modern building with a glass facade and a prominent staircase. The path is bordered by a metal railing on the left and a large, leafy tree on the right. The sky is clear and blue.

Keeping your homework organised

Sends you reminders for when homework is due

Helps show you how much homework you have

Keeps you up to date when you're away from school

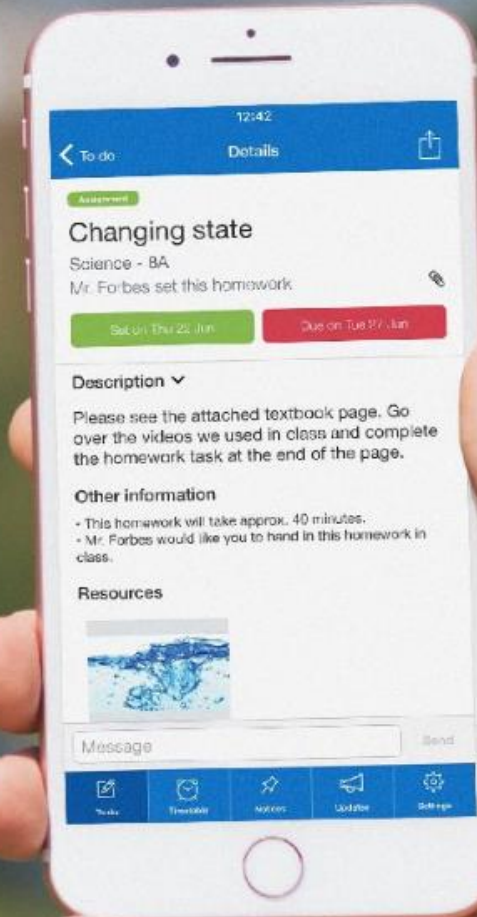

No need to write your homework down before leaving class

Let's you message your teacher in private if you need help with your work

# Homework Description

Your homework tasks are clearly laid out in Show My Homework with all the information you need to complete them.

# The Gradebook

Faster feedback from your teachers, including grades where required.

See comments from your teacher if they ask you to redo your homework and have the ability to reply.

The screenshot shows the 'Show My Homework' Gradebook interface. At the top, there is a search bar for homework and a language selector set to 'EN'. Below the search bar, there are filters for 'Select a class', 'Select a teacher', and 'Select a status', along with a 'Homework search' input field. The main content area is titled 'View the submission status and grades for your homework tasks'. Below this is a table with the following data:
