How A Parent Can Recover Their Child's SMHW Account

A student's account can also be reset by a parent.

A parent needs to log into SMHW as usual at <https://www.satchelone.com/login>

Parents can then see their Child's Name with Show PIN underneath – click on this

The Student can then reset their account using this PIN.

There is a similar facility on the Student's account to generate a PIN for their parent.
