

26<sup>th</sup> March 2021

Dear Parent/carers

## Year 11 core subject assessment arrangements

We are writing to you to keep you updated on the assessment arrangements in core subjects for Year 11. In order for teacher assessed grades to be possible, all three core subjects are using externally moderated classroom assessments. These weekly assessments are as follows:

Mathematics – Tuesday

Science – Wednesday (single science – Monday)

English – Thursday

All classroom assessments will be the basis of the teacher assessed grades and as such if students are not present there will be less evidence to put towards the awarding grade.

Information and preparation materials regarding these assessments, including topics to revise and guidelines on how they are delivered, are shared with students on Google Classroom prior to each of the assessments.

It is imperative your child attends these sessions as there will be no catch-up assessments. We appreciate your cooperation in ensuring your child attends school in order to complete these compulsory assessments.

Yours sincerely

Miss Louise Jesson  
**Director of Mathematics**  
**Assistant Headteacher**

Mrs Emma Kemp  
**Director of Science**

Miss Charlotte Carter  
**Director of English**
