

Financial Support for HMS Music Tuition for September 2023 to July 2024

Financial support is a limited, capped fund, that is available to apply for directly with Hertfordshire Music Service. A family member or school staff are able to apply on behalf of a student. The financial support is for 50% or 100%.

The eligibility criteria for 50% and 100% financial support has not changed from last year – details of the evidence needed and how to apply is on our website (www.hertsmusicservice.org.uk).

A child's eligibility does not guarantee that they will receive financial support for music with HMS.

- A new discount application for financial support is needed each year.
- A separate application is needed for each sibling.

Even if a family receives free school meals from June 2023, a separate discount application for financial support is required to be made directly with HMS.

Scan me to apply for
HMS financial support

To access the application directly please scan the QR code or visit ukhertfordshire.speedadmin.dk/registration#/voucher

Applications open to continuers from 30th March 2023.
Applications open for new starters from 5th June 2023.

Please make sure that a national insurance number is included. There may be a delay or rejection of your application if the national insurance number is missing.

Funding for music lessons from HMS is funded by the Arts Council England, therefore is separate from the funding families may be eligible for from HCC, such as free school meals or saver cards.

Financial support cannot be backdated, so please note that parents/carers should not apply to start lessons before financial support is confirmed, if they require this in order to pay the lesson fees.

For any questions the music remissions team at HMS can assist, please contact music.remission@hertfordshire.gov.uk
