Dear Parent/Carer

Ridgeway Academy Year 11 Post-16 Information Evening - Thursday 9th November 2023 6.00pm-7.30pm

We would like to invite all parents and students of Year 11 to our Post-16 Information Evening.

This is a crucial opportunity for you to consider the different pathways available for our students at Post-16. This is not just an evening concerning A-Levels. However, you will clearly be able to see the work of our Sixth Form and the range of A-Level and vocational choices we offer Post-16. The evening will focus on both the academic and wider life in the Sixth form.

The structure of the evening will be a short presentation in Osborn Hall, which will be followed by the opportunity to meet subject staff and students in Attimore Hall to find out more about:

- The wide range of A-Level and Vocational Level 3 subjects studied at Ridgeway Academy
- Extended Project Qualification (EPQ)
- Sport Leaders Award
- Sixth Form Committee
- Social life in the Sixth Form
- Voluntary work
- Advice and guidance
- Sixth Form involvement across the school

Please complete the following google form to confirm your attendance at the evening:

Yours sincerely

Mrs S Merrigan
Assistant Headteacher
