Dear Parent/Carer

Year 9 Information Evening (Virtual Presentation) – Thursday 26th September

We are now 4 weeks into the academic year and we hope your young person has settled back into learning and good routines.

To help you be aware of the focus for your child's academic year, we have produced virtual presentations for you to review at home and to ensure these will be accessible to all families. These virtual presentations can be watched with your child and allow you to review any aspects again.

[Click here](#) to watch video

It is important that you take the time to watch the presentation, in order to find out about important updates and key dates related to your child's school experience this academic year.

We hope that you find this presentation useful, and that it provides you with some valuable information on how to support your child in having a successful year at school.

We would like to take this opportunity to thank you for your continued support of the school as we look forward to a successful year ahead.

Yours sincerely

K Amstutz

Mr K Amstutz
Head of Year 9
