Dear Parent/Carer

### Year 10 Parents Evening – Tuesday 3<sup>rd</sup> June 2025

The school will be holding our Year 10 Parents Subject Evening on **Tuesday 3<sup>rd</sup> June** from **3.45pm** until **7.15pm**. This is an ideal opportunity for students and parents to meet with the subject teachers to discuss any issues or queries you may have about the progress of your child in their courses. You can make up to 7 appointments with subject teachers.

Our Attendance Officer Mrs Shuckard will be available on the day from 3.45pm until 6.00pm for drop-in appointments and will be located in the Attendance Office. Student helpers will be available on the night to help with any queries you may have.

To book an appointment, you will need to log into our booking system using this link <https://ridgewayacademy.schoolcloud.co.uk> where you will be presented with a screen as below. This link is also available on the school website under the Portal tab. **Please note: the system will go live tomorrow, Friday 16<sup>th</sup> May from 7.00am, so you will be able to login from this date/time onwards.**

I suggest that you consider aspects of schoolwork that you may wish to discuss with teachers; for example:

- Is my child up to date with work, including any long-term project work?
- Is homework being regularly set and marked by their teachers? Is it sufficiently demanding?
- Is homework being satisfactorily done, for sufficient time and is it handed in on time?
- Does my child's classroom attitude help or hinder their progress and that of their peers?

The appointments will be held at the school in **Osborn Hall/F5/Library** and will be for a 5-minute duration. We regard this evening as very important and look forward to seeing you on **Tuesday 3<sup>rd</sup> June** from **3.45pm**.

If you have any queries or are unable to access the on-line booking system please contact the school Admin office or email [admin@ridgeway.aetrust.uk](mailto:admin@ridgeway.aetrust.uk).

Yours sincerely

*G Picone*

Mrs G Picone  
**Head of Year 10**
